Vision of the Month

From Principal's Desk

As we step into the new year, I extend my heartfelt wishes to each one of you for a year filled with growth, success, and happiness. The beginning of a new year is a time for reflection, renewal, and the setting of new goals. It is an opportunity to continue the journey of learning, not just academically, but also in character, kindness, and resilience.

I am proud of all the progress we have made together as a school community in the past year. Our collective efforts, enthusiasm, and commitment to excellence have been truly inspiring. As we embark on this new year, let us continue to embrace challenges with optimism, seek knowledge with curiosity, and support one another with compassion and understanding.

I encourage each one of you to make the most of every opportunity that comes your way. Let's set high standards for ourselves, aim for excellence, and contribute to creating an environment where respect, integrity, and creativity thrive.

May this year bring you success in all your endeavors, strengthen the bonds of friendship, and open new doors to exciting opportunities. Together, let's make 2025 a year to remember!

Wishing you and your loved ones a Happy New Year!

PRINCIPAL

On the eve of Christmas, our school hosted a vibrant celebration to bring the holiday spirit to life for students of Global kids. The event was filled with joy, creativity, and festive cheer, showcasing the talents of our young stars.

The celebration began with lively solo dance performance, where students each took the stage with graceful moves, capturing the essence of Christmas through dance. Following this, the energy soared with a fun-filled group dance, where students danced in sync to cheerful holiday tunes, spreading excitement and happiness.

In addition to the performances, students had a wonderful time crafting their own unique decorations. They created beautiful cutouts of Santa Claus, adding a personal touch to their holiday spirit and bringing out their creativity.

The festive atmosphere reached its peak as the event concluded with the delightful distribution of muffins. With smiles all around, the celebration was a perfect way to mark the occasion, bringing everyone together in the true spirit of Christmas.

Congratulations to Moulik

Our school heartily congratulates Moulik Rajawat for silver medal in table tennis in U-17 State Championship

Run for Vikashit Rajasthan

On 12th December 2024, the Government of Rajasthan organized a grand event called Run for Vikashit Rajasthan, aimed at promoting a developed and better Rajasthan. Students from classes VIII to X actively participated in this inspiring initiative, showing their enthusiasm for a brighter future for the state.

The run began from the Bal Krishna Stadium, where participants gathered in large numbers, eager to take part in this symbolic event. With each step, the students not only contributed to raising awareness about the importance of development but also expressed their commitment to a progressive Rajasthan.

This initiative was part of the state's ongoing efforts to encourage youth involvement in the development process and foster a sense of responsibility for a better tomorrow. The event was a wonderful blend of health, unity, and social consciousness, embodying the spirit of change and progress.

MATHS CLUB ACTIVITY

Career Point Gurukul celebrated Maths Week with immense enthusiasm and creativity from 19th to 21st December 2024. The three-day event was filled with exciting activities that encouraged students to explore the fascinating world of mathematics in a fun and interactive way.

Day 1

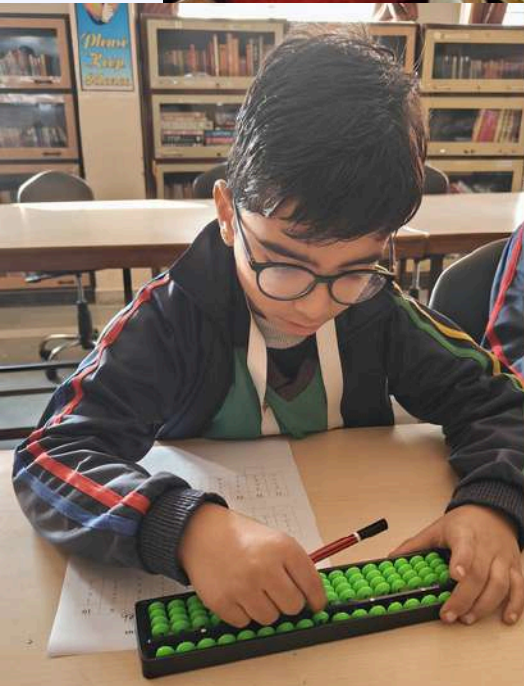

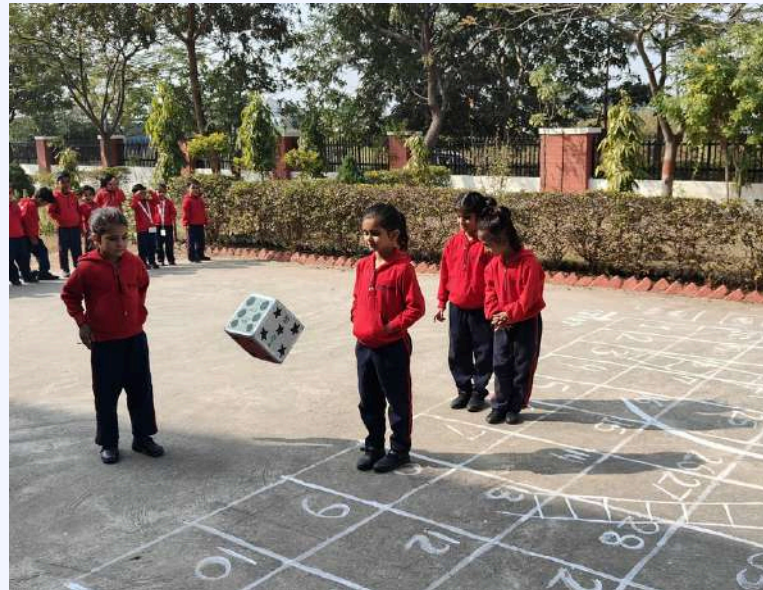

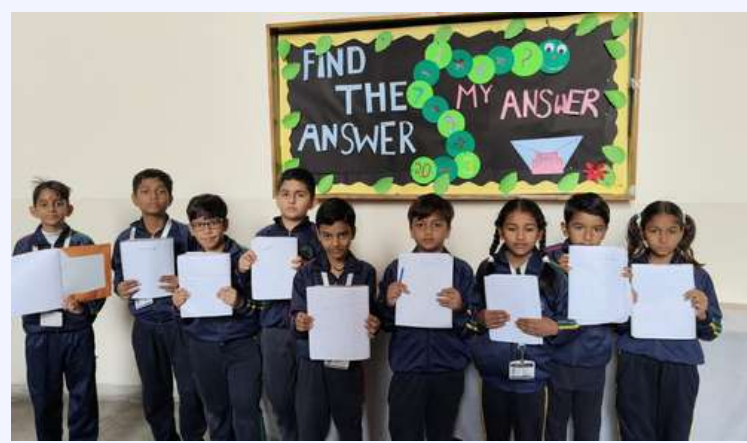

The week kicked off with a Soft Board Decoration Competition for students of Classes I to V. The young learners displayed their creativity by showcasing mathematical concepts such as numbers, shapes, and basic arithmetic operations. For Classes VI to XI, a Maths Quiz Selection Round was conducted, where students tested their logical reasoning, problem-solving skills, and mathematical knowledge. The Global Kids took part in engaging activities centered around the Recognition of Shapes, turning learning into a playful and hands-on experience.
