February 2025

Vision of the Month From Principal's Desk

We are in an important phase of the academic year, where focus, effort, and smart preparation will help students achieve their best. At Career Point Gurukul, Rajsamand, we believe that success is not just about exams but about learning, improving, and growing every day.

For Our Students: Study Smart, Stay Confident

Plan Your Studies Well: Make a study timetable to cover all subjects. Give more time to difficult topics and revise regularly.

Practice for Success: Solve previous year papers, sample tests, and mock exams to improve speed and accuracy.

Clear Your Doubts: Ask your teachers if you have any doubts. Attend revision classes and take notes to remember important points.

Stay Healthy & Focused: Get enough sleep, eat healthy food, and take short breaks to keep your mind fresh.

For Our Teachers: Guiding Students to Success

Strong Revision Support: Help students understand important topics and problem-solving techniques.

Regular Assessments: Conduct mock tests and quizzes to prepare students for the exams.

Encourage & Motivate: Support students by reducing their stress and boosting their confidence.

For Our Parents: Helping Your Child Succeed

Create a Good Study Environment: Provide a quiet, comfortable space for studying.

Encourage, Don't Pressure: Motivate your child and appreciate their efforts instead of worrying only about marks.

Maintain a Healthy Routine: Ensure they get enough rest, proper meals, and relaxation time.

Learning is More Than Just Exams

Exams are important, but true success comes from understanding, learning new skills, and growing as a person. Let's work together to make this time productive and stress-free for our students.

Wishing everyone a month full of great learning, progress, and success!

PRINCIPAL

Zaika-e-Purani Dilli

At **Career Point Gurukul, Rajsamand**, learning goes beyond books, and the Group Meal Activity beautifully highlighted experiential learning, cultural appreciation, and unity. Inspired by the lesson "Zaika-e-Purani Dilli" from **Class 8's** textbook, this event celebrated the rich heritage of food and the joy of sharing.

Just like the vibrant streets of Old Delhi, where food brings people together, our students experienced the bond of community dining in a meaningful way. They not only explored traditional flavors but also embraced values of sharing and respect for cultural diversity. The event was filled with laughter, delicious aromas, and a sense of togetherness as students brought and shared meals, making it a memorable experience.

At Career Point Gurukul, we believe education is about knowledge and experiences that shape character. Activities like these foster unity, collaboration, and appreciation for traditions, helping students grow holistically.

Little Explorers on a Nature Walk!

At **Career Point Gurukul, Rajsamand**, we believe that learning happens best when children explore the world around them. Our little learners from the **Global Kids Division (Nursery to UKG)** recently embarked on an exciting Nursery Visit, where they experienced the beauty of nature firsthand.

This fun-filled outdoor activity allowed our tiny tots to observe plants, flowers, and greenery, helping them understand the textures, colors, and life cycle of plants. The experience sparked their curiosity and creativity, making learning both interactive and enjoyable. Walking through nature, touching leaves, and seeing how plants grow gave them a deeper connection with the environment.

Experiential activities like these nurture early cognitive development, sensory learning, and environmental awareness in young minds. At Career Point Gurukul, we continue to encourage hands-on experiences that make education exciting, engaging, and full of discovery!

Basant Panchami Celebration

At **Career Point Gurukul, Rajsamand**, we celebrated **Basant Panchami** with great enthusiasm, marking the arrival of spring and the worship of Goddess Saraswati, the symbol of wisdom, learning, and creativity. The school campus was filled with the vibrant hues of yellow, symbolizing energy, prosperity, and new beginnings.

The celebration began with Saraswati Puja, where students and teachers sought blessings for wisdom and academic excellence. Dressed in bright yellow attire, our young learners participated in cultural performances and poetry recitations, adding a festive spirit to the occasion. The essence of Basant Panchami was further enriched as students learned about the importance of knowledge, music, and the beauty of nature's transformation during spring.

Through such celebrations, Career Point Gurukul continues to instill in students a deep respect for culture, tradition, and the joy of learning. As we welcome the season of growth, may the blessings of Goddess Saraswati guide our students towards success, creativity, and enlightenment.

Suryanamaskar Session

At **Career Point Gurukul, Rajsamand**, we believe in nurturing both the mind and body for a balanced and healthy life. Our students actively participated in a **Suryanamaskar (Sun Salutation)** session, embracing this ancient practice that promotes physical strength, mental focus, and inner harmony. Through synchronized movements and mindful breathing, students experienced the benefits of flexibility, concentration, and overall well-being. This session reinforced the importance of daily fitness, mindfulness, and self-discipline, which are essential for a healthy and productive life.

As part of our holistic education approach, we continue to encourage such activities that foster physical vitality, mental clarity, and a positive mindset. Let's keep moving towards a healthier and more energetic future!

Walk for Peace Marathon

At **Career Point Gurukul, Rajsamand**, patriotism is not just a value but a way of life. To honor the brave soldiers martyred in the Pulwama attack, the school organized the **'Walk for Peace' Marathon**, a heartfelt tribute to those who made the ultimate sacrifice for the nation.

Over 200 students from Classes 4 to 12, accompanied by police personnel, participated in the marathon, which was flagged off by ASP Sh. Mahendra Pareek at 9:15 AM from Bal Krishna Stadium. The route covered J.K. Mod, Jalchakki, and 100 Feet Road, concluding at the Shaheed Memorial (100 Feet Road).

Upon reaching the memorial, participants paid homage to the martyrs through yoga performances, patriotic dances, and the national anthem. A one-minute silence was observed in remembrance of the fallen heroes, creating a moment of deep reflection and respect.

Addressing the gathering, Principal Ma'am emphasized the importance of patriotism and honoring our soldiers' sacrifices. She encouraged students and citizens alike to actively participate in such initiatives, ensuring that the spirit of gratitude and respect for our heroes lives on.

This event was not just a marathon but a powerful reminder of our duty towards the nation and the selfless courage of our armed forces. As we move forward, let us always remember, honor, and salute the brave souls who laid down their lives for our country.

Urja 2025

At Career Point Gurukul, Rajsamand, the **Annual Sports Day 'URJA 2025'** was a grand celebration of energy, passion, and sportsmanship. The event brought together students, teachers, and parents to witness thrilling races, power-packed performances, and fierce competition, all reflecting the true spirit of athletics.

Students participated in a variety of track and field events, team games, and fitness challenges, demonstrating determination, teamwork, and resilience. Their enthusiasm and dedication turned the event into a spectacle of strength, discipline, and sportsmanship. The excitement peaked as champions emerged, proving that hard work and perseverance always lead to victory.

Encouraging students to adopt a healthy, active lifestyle, URJA 2025 was not just about winning but about building confidence, pushing limits, and celebrating the joy of sports. At Career Point Gurukul, we continue to nurture young athletes, instill the values of discipline and teamwork, and inspire a lifelong passion for fitness.

Congratulations to all the participants for making URJA 2025 a memorable and electrifying event!

National Science Day

At **Career Point Gurukul, Rajsamand**, **National Science Day** was celebrated with enthusiasm and curiosity, honoring the legacy of **Dr. C.V. Raman** and his groundbreaking discovery of the Raman Effect. The event aimed to ignite young minds and foster a love for science through engaging activities and interactive learning.

The highlight of the celebration was an **Interhouse Science Quiz Competition** for students of Classes III, IV, and V, where participants showcased their scientific knowledge, quick thinking, and teamwork. After a thrilling contest, Nilgiri House emerged victorious, demonstrating their exceptional grasp of scientific concepts.

Adding to the excitement, students watched an inspiring documentary on the life and achievements of Dr. C.V. Raman, emphasizing his contributions to physics and scientific research. This session deepened their understanding of science's impact on daily life and its role in shaping the future.

Teachers also emphasized the importance of observation, experimentation, and curiosity in driving scientific breakthroughs. Students left the event feeling motivated to explore, question, and discover the fascinating world of science.

Through such events, Career Point Gurukul continues to nurture inquisitive minds, promote scientific thinking, and inspire students to explore the wonders of the universe. The celebration was a testament to the spirit of discovery, innovation, and lifelong learning!
