From Principal's Pen

As we concluded the 1st quarter of the academic session and now the teachers are proceeding for summer break, I wish to extend my heartfelt gratitude to each of the staff members. The summer break is not only a time for rest but also an opportunity to recharge, reflect, and return with renewed energy. We should take this period to prioritize our well-being, spend quality time with families, and rejuvenate ourselves.

We look forward to beginning the session with fresh enthusiasm, strengthened teamwork, and a shared commitment to excellence in education.

Wishing everyone a safe, restful, and joyful summer break.
